

MAHAK Extends its Activity in Shiraz

Recently, MAHAK's new fundraising office was inaugurated in the city of Shiraz with the aim of providing financial assistance for medication and treatment expenses of cancer-stricken children in this region with the help of residents of this city. This ceremony was held with the presence of delegates from business entities including the Shiraz Chamber of Commerce, and medical centers as well as donors who have supported MAHAK during the past years of its activities. During this event, MAHAK has unveiled three digital public donation methods including digital kiosks, QR-Code and its volunteer portal. for more on this topic.
