## MAHAK Monthly News December 2024

*Happy New Year 2025!*

As we approach 2025, I want to take a moment to reflect on our journey over the past year, which was full of challenges and triumphs. I am truly grateful for MAHAK personnel's hard work and dedication, as well as the collaboration of our national and international partners. Together, we have reached significant milestones.

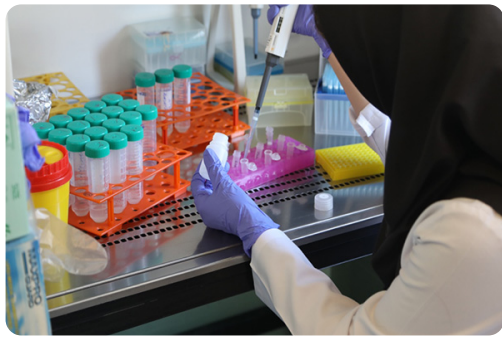

The New Year holds the promise of growth and new opportunities. It is a pivotal moment to expand our horizons and strengthen collaborations both locally and globally.

On behalf of MAHAK Charity Institute, I wish you a Happy New Year 2025! May it be an incredible year filled with health, happiness, and prosperity for everyone, particularly for children around the world.

Let us embrace the New Year with enthusiasm, determination, and optimism, pushing boundaries to elevate the quality of care for children worldwide.

**Arasb Ahmadian**  
Chief Executive Officer

Happy New Year to you, too!

### Iranians' contribution saved €220,000 in pediatric cancer

Had MAHAK been required to source samples for its successful transplants from abroad, it would have incurred costs of €220,000. Aren't you curious to know more about this huge accomplishment?
