

World Cancer Day 2025

MAHAK – the Society to Support Children Suffering from Cancer, as the full member of Union for International Cancer Control (UICC) engages in World Cancer Day (WCD) campaign every year, designed by UICC.

During next three years (2025-2027) MAHAK, in line with WCD campaign, will raise awareness on cancer focusing on the theme “United by Unique”. This campaign places people at the center of care to hear about their own unique story in their cancer journey as the patients or care givers. Every experience with cancer is unique and it will take all of us, united, to create a world where we look beyond the disease and see the person before the patient.
